

2006 NIST Machine Translation Open Evaluation License Agreement (MT06)
RESTRICTED

In the remainder of this document the term **User** refers to _____ of
_____ and the term **User's research group** refers to
_____.

This is an agreement between **User** and the Linguistic Data Consortium (LDC) under which **User** will receive material as specified below.

User will receive one or more files, named below under "Corpora/Data Received," containing speech and/or text data used and/or distributed in the GALE program ("GALE data"). **User** agrees to use GALE data only for purposes of the 2006 NIST Machine Translation Open Evaluation. **This license is valid until September 30, 2006 only, at which time User agrees to delete all GALE data from any computer or media onto which it has been copied and to return all files to LDC.** **User** further agrees not to disclose, copy or redistribute GALE data to others outside of the **User's research group**.

User agrees that neither the Linguistic Data Consortium nor the University of Pennsylvania warrant the accuracy, completeness, currentness, merchantability or fitness for a particular purpose of the information. In no event will the Linguistic Data Consortium or the University of Pennsylvania be liable to any authorized user, or anyone else for any loss or injury caused in whole or in part by its negligence or contingencies beyond its control in procuring, compiling, interpreting, editing, writing, reporting or delivering the information, or any errors, omissions or inaccuracies in the information, regardless of how caused. In no event will the Linguistic Data Consortium or the University of Pennsylvania be liable to the organization, any authorized user or anyone else for any decision made or action taken by the organization or any authorized user in reliance upon any part of the information or for any consequential, direct, special or similar damages, even if advised of the possibility of such damages.

Corpora/Data Received:

LDC2006E17 – GALE dry-run data unsegmented source

LDC2006E18 – GALE evaluation data (part of NIST open MT evaluation data set)

Organization: _____

Name: _____

Title: _____

Signature: _____

Date: _____

For LDC:

Christopher Cieri
Executive Director
